Dear Mr. Kinney:

Mr. E. E. Lowry's memorandum of 12 September 1983 forwarded to us four documents with the request that we review their classification status. We have reviewed the documents with the following results:

Documents No. 1 and No. 2 (as numbered on your List of Attachments), classified SECRET, deal with the establishment of the Intelligence Working Group which became the Economic Defense Intelligence Committee. This was an interagency organization that is no longer in existence. CIA has no objection to the declassification of these two documents subject to concurrence of the other member agencies.

Documents No. 3 and No. 4 are DOD documents, classified CONFIDENTIAL, which discuss several interagency committees. They contain information of concern to CIA which we have determined must remain classified under Section 1.3(a)(4) of Executive Order 12356 at the CONFIDENTIAL level.

The documents and your List of Attachments are returned herewith as requested. We have added our classification review stamp showing our action.

Sincerely,

Signed
